VII. First Congress, ULMWP Provisional Government of West Papua, Jayapura, 20 November 2023

For official representatives of the seven Customary Regions

This congress took place at the urging of the West Papua people after the ULMWP Leaders Summit in Vanuatu. The people peacefully demonstrated for two days (6-7 Nov 2023) because they believed the leaders violated the Constitution by appointing leaders and constitutional bodies at an internal summit, rather than through Congress.
